Product Details

Looking for an affordable price to get your posters printed in high-quality prints? You have come to the right place. Dina Color Lab provides the best quality poster prints that'll give your amazing poster designs with a superior quality printing. With an experience spanning over 27 years, we have grown excellence in the art of poster printing. We have advanced technology printers that deliver excellent printing to make your posters look even more attractive.

You can have standard posters as well as personalized ones according to your requirements. With our online tool, you can even design your posters and have them printed at an affordable cost. If you have a design ready, then you can just upload it here and select the required size and quantity. We also provide design assistance in case you need help in making your designs look incredibly amazing.

Poster printing online in India

Our poster printing online services are quite popular in India due to its cost-effectiveness and high-end delivery. Getting your desired online poster printing saves you a lot of time and makes the process even more convenient. We provide you with free shipping that means that you don't have to pay anything extra for delivery of your order.

In this digital era, it would be more convenient for you to get this done online rather than opting for the traditional means of printing. Placing an online poster printing order with us will guarantee you the better quality prints at comparatively lower prices. With our online poster printing services in India, you get posters that are:

- Incredibly designed
- Scratch-resistant
- Non-fading
- Highly durable
- Longer life

Different sizes, orientation and quantity

When you set out poster printing, the first thing that you'll need to do is to decide a suitable size according to your requirements. We provide you with two size options which are:

- 8x12 inches
- 12x18 inches

The first one is the standard poster size whereas the latter one has larger dimensions. You can select for any one of these above sizes which are ideal for your amazing poster. Along with the size, you'll need to consider the orientation of your poster. The orientation can be:

- Portrait
- Landscape

Choose the orientation that is most suitable for your requirements. Now before you get started with poster printing online, you must also select the required quantity of prints. After you select the desired quantity, you are now ready to design your creative poster! There are various types of poster designs meant for specific purposes or events. The poster styles are:

- Advertising
- Political promotion
- Movie poster
- Motivational
- Event promotion
- Travel
- Educational
- Wall posters

Customized designs for Poster printing

We have a great collection of templates for online poster printing that'll help you in designing your poster more easily and quickly. You can also have used our online tool to design your creations using a user-friendly interface and quick navigation. Although creating your design may require a great amount of time, it is still a preferred choice owing to the fact it gives the most perfect and ideal design.

We also provide design assistance at a nominal fee to help you easily get the best designs. Our expert designers will help you make great designs that'll save you a great amount of time and effort. You can also opt for custom templates where you can add your logos, texts, images and graphic designs.
